Meet the Team

Hi, I'm Miss Allen and I'm the School Office Manager!

Miss Allen joined The Stables School in March. She has worked in lots of schools but our school is her favourite. She enjoys spending time at her allotment, playing with her four cats and winning quizzes! 

Hello one and all

I'd like to say a big "well done" to all the pupils who had their flu nasal spray this yesterday! 

Sixty-two percent of our children had it and then it was the turn of the staff (although we had to have an injection instead!)

Well done to Chef Charlie for cooking up a feast with Mr Knight in the Barn kitchen! The staff who were lucky enough to try his creamy paprika pasta with ham, toasted bread with cheese and balsamic drizzle, and Mediterranean side salad, were all very impressed at how delicious it all was. He was very proud of what he made, and rightly so! Watch out Jamie Oliver!

Have a great weekend! Mrs Porter, Headteacher
