On Tuesday this week, we were visited by the Happisburgh Owls. Some pictures of our feathered visitors are below! Which one was your favourite?

We all went on a visit to the local church this morning, to learn more about Easter, before waving off the children for a well-earned break!

Wishing you all a lovely Easter holiday. Don't eat too much chocolate!

## Happisburgh Owls

The children (and staff) were delighted to welcome Sandra, Darwin and their owls from nearby Happisburgh. They learned lots of facts about the owls and were able to dissect some owl pellets to

find out what the owls had been eating!

We had some lovely comments about the children's work! There were also lots of other things to see; highlighting all the fantastic learning the children have done this term such as creating a wormery, visiting a farm, learning about local history, writing in Runes, creating their own drinks, and playing basketball!
