Dates for your diary

- 11th to 15th March - British Science Week
- 15th March - Red Nose Day (£1 donation)
- 15th to 31st March - Great Big School Clean
- 25th March - Storytelling Topic Showcase
- 25th March - Easter visit to church
- 27th March - Last day of term (finish at 1pm)
- 15th April - Back to school

"Read Your Way" World Book Day

World Book Day have developed six evidence-based principles to support children to adopt a lifelong habit of reading for pleasure.

1. Being read to regularly
2. Having books at home and at school
3. Having a choice in what to read
4. Finding time to read
5. Having trusted help to find a book
6. Making reading fun

WORK OF THE WEEK

Conner for his excellent behaviour during TITAN.

WOW!

Jack for his brilliant maths work!

Alfie for his fantastic work in English!

Troy for his awesome work in English!

What a thoroughly awful week...

all the horrid children were full of joy and happiness, and they had far too much fun playing instruments with Adam in the Bandwagon mobile music class. They showed sickeningly good team work while playing basketball. But, worst of all, they took part in World Book Day, sporting all manner of silly fancy dress and sharing story books. Atrocious! Next week doesn't look much better with Red Nose Day on Friday. I shall have to ban all jokes and smiling! School is for learning and not for having fun. You know I'm right, because I'm big and you're small, and there's nothing you can do about it!

**From Miss Trunchbull,
Head Mistress**

Be prepared!

- School gates open at 08:45!
- Have you got your lunch?
- Have you got the right footwear and clothing for the day ahead?

STARS OF THE WEEK ARE

All our female staff members

This year is the 30th anniversary of British Science Week!
The theme for this year is "Time".

Can you find all the time-related words in the wordsearch?

Bring your completed wordsearch to Miss Allen in reception on Monday morning, and choose a prize!
