Welcome back to school!

I hope you all had a lovely break over Easter. This week we launched our new Topic: Time Travel!

We'll be turning back the clock across the curriculum to explore history; from the Stone Age to the Egyptians; the Romans to the Mayans, and the Kingdom of Benin.

Before leaving for Easter, each class prepared their beds in our allotment, ready for planting lots of fruits, vegetables and plants. We're looking forward to spending more time outside in the warmer months ahead.

Mrs Porter, Headteacher

This term, Badgers class will be going sailing at Barton Broad with The Nancy Oldfield Trust, every other Monday! This is a fantastic opportunity for the boys to learn how to skipper different types of boats, while taking in the incredibly diverse wildlife on the Broads.

Meanwhile, our Hedgehogs will be heading to Cromer to hit the surf with Glide Surf! They will be learning about safety in the water as well as how to keep their balance while riding the waves! We can't wait to share their progress with you. Watch this space!

WORK OF THE WEEK

Mikei for his enthusiasm for squash! Well played!

EVERYONE in the class for having the best trackers ever!

TJ for his marvelous and magnificent maths work!

EVERYONE in the class for super swimming!

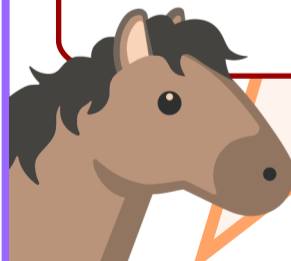

WOW!

Star of the Week Ben

What a fantastic first week back for this Fox cub!!

Grrreat!

EARTH DAY 2024

MONDAY 22ND APRIL

**This year, Earth Day's theme is
PLANET VS PLASTICS**

Plastic pollution harms our oceans, our lands, our wildlife and our health.
Colour in or decorate our beautiful home, planet Earth, below.
Show your pictures to Miss Allen on Monday and collect a prize!
