Dates for your Diary

- 8th September - International Literacy Day
- 10th October - Flu vaccination
- 16th October - World Food Day
- 24th October - Half term
- 3rd November - Back to school
- 10th - 14th November - Anti-bullying Week

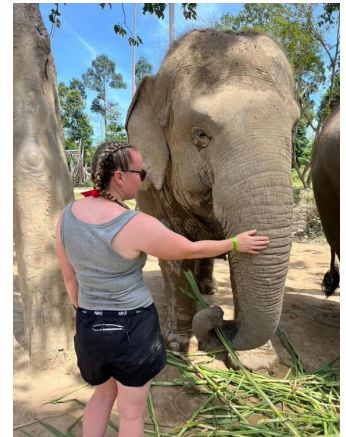

Each week our newsletter features a **"Take Home News"** article about a topic that either features in the news, extends learning from school or just gives you the opportunity to start a conversation at home about the world around them. This week's is all about **World Wonders**. Turn to page 2.

Welcome back to school!

It's been a great first three days back at school. We have welcomed three new children to our Foxes Class, who have all settled in well.

Miss Mullally-Knight has returned from her overseas travels. It is wonderful to have her back, as she has been missed by pupils and staff alike. Miss Bennett flew out to Thailand to join her in the holidays. She enjoyed meeting a huge Indian elephant.

Congratulations to the new Mrs Gibson (was Miss Allen), who got married in August!

HOMEWORK HEROES!

Focus on Keeping Safe!

Last September, in conjunction with Norfolk County Council, we launched our Safe School Run Pledge and made some much needed changes to our car parking arrangements in front of the school. This was to reduce the risk of an accident involving a child; as the number of children on roll steadily grew, this meant there was an increase in vehicle numbers too. When we had visits from Norfolk and Suffolk County Councils last year, they were very impressed at the changes, which included a new car park for visitors, staff and child car park monitors, and the installation of a barrier.

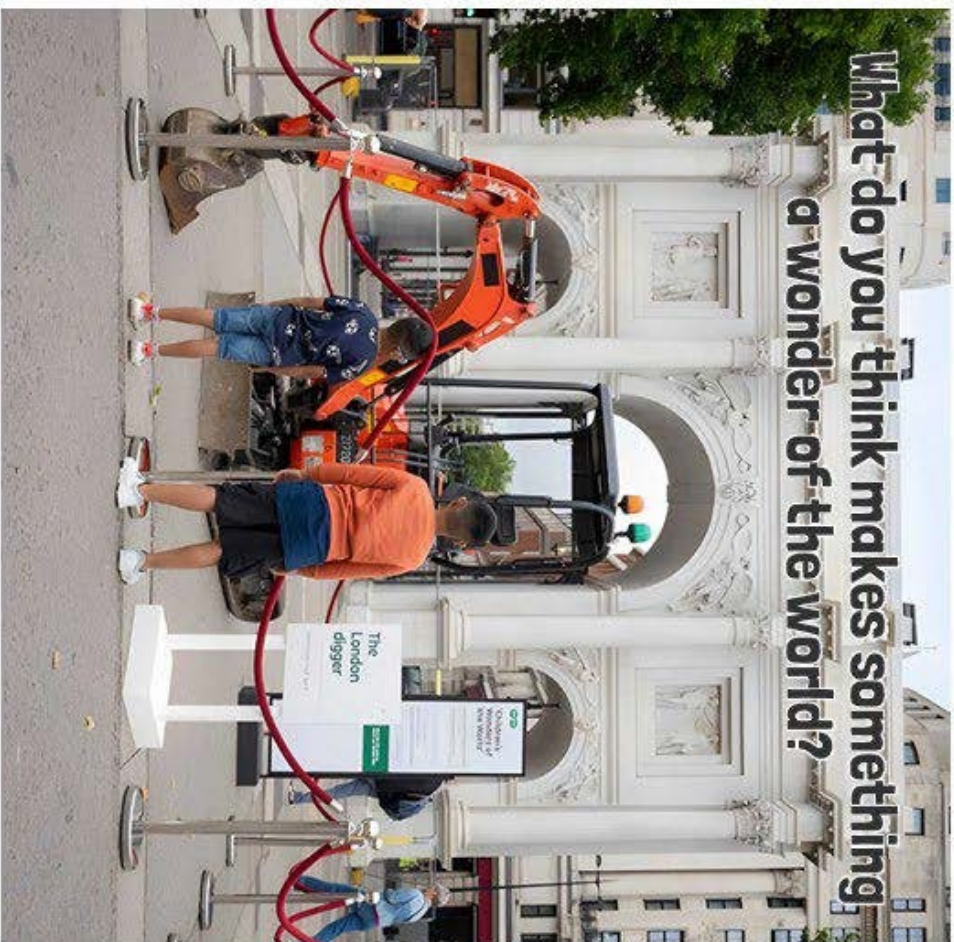

Further to this, Simon and Aidan worked very hard this summer to install a new path, along the football field. This is the new route into school, through the new school gate, completely avoiding the need for children to cross the car park.

Thank you for all your support with these changes.

TAKEHOME

What do you think makes something a wonder of the world?

In the news this week

In a recent survey, 600 parents and 400

children, aged six and seven, were asked to name the everyday things around them that they find incredible or awe-in-spiring.

The list included things like sunflowers, diggers and puddles. The survey took place as part of eye care company, Specsavers', 'Wonder' campaign, which hopes to raise awareness of the importance of eye health.

Things to talk about at home ...

- > Talk to someone at home about the Seven Wonders of the World. Are they familiar with them? Would you like to visit any of them? If so, which ones and why?
- > Can you make a list of what you and others at home consider to be wonders of the world, or wonders of your world?
