AMAZING!

A Message from the Head

This week we have introduced a new award to our Friday Rewards Assembly! The Homework Hero certificate recognises the pupils who have put in the most effort on their assignments and daily reading. Thank you to all the parent/carers for supporting your child to complete their homework and reading tasks. Well done to our first batch of winners!

Next week, Otters will be starting a whole class play therapy with Mr Holdsworth which looks like it will be a lot of fun!

Please be on the look out for the flu letter and consent that is coming home today. It is so important to keep up to date with immunisations. Please make sure you complete the form and get it back to us as soon as possible. If you have any questions, you can call the Immunisation Team directly on 0300 555 5055, option 2.

School Council and

Well done
young man!

Head Pupil

PUPIL
VOICE

Each year pupils in years eight and nine can put themselves forward for the position of Head Pupil; all the other children then vote on who they want to be their representative. This year we have not had a vote because only one pupil put himself forward and we could not be prouder of him for doing so. This pupil has come a long way since joining our school and his confidence continues to grow and grow! He is a fantastic role model to all the pupils, due to his consistent efforts in class, his willingness to push himself outside his comfort zone and for his very good behaviour. Please join us in congratulating,

Our school council will run weekly in classes, where the pupils will discuss a range of issues together.

New School Rules

Last week, in assembly, the children came up with their new rules for the year! We were impressed with their ideas. Miss Flack made a poster for each class.

This year
we are
launching
Houses!

Merits will
equal
House
points!

Children will
be in the
same House
team for the
year.

There will be
prizes for
the winning
House team
members.

In the news this week

A church in Kiruna, which is one of Sweden's largest wooden buildings, has been carefully moved 5km to a new location. Many buildings in the city are being relocated because the ground is unstable due to iron ore mining. The church, built in 1912 and voted Sweden's most beautiful pre-1950 building, was slowly transported on special trailers. The process was watched by thousands of people.

Things to talk about at home ...

- > Share your response to this week's news story with someone at home. Why do you think the decision was made to move the church whole, rather than dismantle and rebuild it?
- > Are there any well-known buildings in your local area? What is their purpose?
- > What buildings are important to you? What is it about them that makes them important?

What makes a building special?

Focus on Safety in Cars

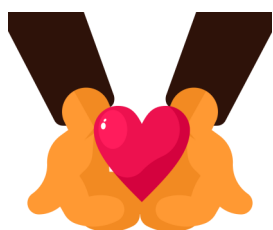

When we travel in cars, it is important to follow these instructions to keep everyone safe:

Use the right booster seat for your height.

Always fasten your seatbelt, and keep it on until the car stops.

Always keep your hands and feet to yourself. Be kind to each other.

Remember, the driver needs to concentrate on the road. Please be quiet and don't distract them.

Don't unwind the windows. Keep them closed. Take litter home.
