A Message from Mrs Porter

Thank you to everyone who took the time to visit The Barn today

to see the wonderful work the children have produced on their Space topic this term. Pictures on page 5! It's safe to say that they have really enjoyed it! If you were not able to attend today, you can see some photos of the children's displays on page 6. As we head off for half term, Yellow House has amassed the most house points in Autumn Term 1. Rewards for the winning House will be termly, so there's still a way to go and a chance for the other Houses to take them on before Christmas!

When we return, we will be celebrating Anti-Bullying Week (info below) and Children in Need. We'll let you know more after the holiday! Please note that there will be no After School Club running in Autumn Term 2.

Have a wonderful half term holiday!

In the news this week

The UK government is planning to bring in digital identity cards, which people could keep on their phones or have as a physical card. The idea is that these new IDs would make it easier to prove who you are for things like work, travel, or applying for services. Supporters say they could improve safety and convenience, while others worry about privacy, fairness, and people without access to smartphones.

Things to talk about at home ...

- > Can you make a list of some of the pros and cons of identity cards? Discuss these with someone at home.
- > Do you think a digital card is better than having an actual card? Why?
- > What do you think makes up your identity? Ask and share your response with someone at home.
