### A Message from the Head

This week we had new matting arrive for the yurt. We have our weekly rewards assembly in their every Friday afternoon. The yurt is also used for our newly introduced class theraplay sessions, Stables Sunshine Circles. The yurt houses lots of musical instruments too. It's a wonderful space to be creative. To make it even more comfy, we are on the look out for spare cushions! If you have any you could donate, they will be gratefully received.

Please remember, that you should be reading with your child every day and recording it in their reading log. Don't forget to send their reading book back to school every morning too for them to continue to read in class.

**Focus on Recycling Week** This week was the 22nd annual "National Recycling Week", featuring the theme, "Rescue me! Recycle!" The campaign aims to raise awareness of some items that are recyclable but often end up in landfill, such as deodorant cans, toilet roll tubes, glass perfume bottles, tin foil, toothpaste tubes, and shampoo bottles. ## TAKEHOME

22nd - 28th September

### Can anyone break a record if they try hard enough?

## In the news this week

Guinness World Records is celebrating its 70th anniversary this year. The book was first published in 1955, and is now sold in over 100 countries. Each year, it collects unusual and amazing records, from the fastest runners to the tallest buildings and silliest challenges. To mark its birthday, the 'global authority' on record-breaking achievements shared some records that no one has tried yet and is encouraging people to have a go.

### Things to talk about at home ...

- Ask someone at home whether they are familiar with the Guinness World Records. What records can they recall?
- Discuss the skills required to break records. E.g., hard work and ability.
- Think about something you would like to get better at this year. What goal could you set and how might you achieve it? Share with someone at home.
