A Message from Mrs Porter

This week, Hedgehogs class started a four-week STEMEX programme in Norwich. STEMEX delivers lessons on science, robotics, engineering, design technology. They had a fantastic first day and we look forward to hearing all about what they learn.

Challenge
25!

Today we celebrated 25 years of Children in Need. Badgers bravely managed 20 out of 25 laps of the field in the rain and will finish on Monday! Hedgehogs completed 25 colouring sheets! TJJ did 25 push ups! Badgers made 25 spotty Pudsey biscuits! Everyone dressed up in bright colours! Otters read for 25 minutes and did 25 colouring sheets! In Dragonflies, Luke built up 25 Duplo™ bricks!

Dates for your Diary

CUT YOUR CARBON MONTH!

- 16th - 22nd November - Road Safety Week
- 10th December - School Christmas Show and fair at the Baptist Church, Stalham, 13:00
- 12th December - Christmas Jumper Day (£1 voluntary donation for Save the Children)

- 15th December - School Christmas dinner
- 16th December - Wizard of Oz at Sheringham Little Theatre
- 17th December - Christingle at St Mary's Church, Stalham
- **18th December - Last day of term; please note we finish at normal time of 14:30.**

We raised over £30 for
Children in Need! Well
done and thank you all!

This week is all about the COP25, the United Nations Climate Change Conference. This is very topical as we are taking part in Cut Your Carbon this month. Taking care of and protecting our natural resources is something we are passionate about. What would you tell world leaders if you were at the conference? Turn to page 3 to read and chat about it.

House Points

Autumn Term 2 Week 1

Yellow House
take an early
lead after the
first week back!
Come on Teams!
Catch them if
you can!

Thank you for spotting the
error in the previous
newsletter. The trip to the
Little Theatre is
Tuesday 16th December!

Work of the Week

Tyla for making a
great effort at
bouldering! **WOW!**

Harrison for his amazing
handwriting! **WOW!**

Keira for her
wonderful reading!
WOW!

TJW for working
independently and
creatively in English.
WOW!

Luke for sorting shapes
in maths! **WOW!**

**HOMEWORK
HERO!**

TJH you did ALL
your homework! AMAZING!

Most Valuable Player

Miss Knight has introduced a new award this week
for the pupil she feels has made their mark in P.E.

Well done this week to **Keiran**, for being a
supportive team player and not being a sore
loser. What a great attitude!

Star of the Week

Finley

Congratulations to our brilliant
Badger, Finley! You had a
wonderful week on your tracker
and managed some big, tricky
feelings really well! We're
super proud of you!

TAKEHOME

10th - 16th November

What would you tell the world leaders if you were at COP30?

In the news this week

The 2025 United Nations Climate Change Conference, known as COP30, will be held in Belém, Brazil, from 10th to 21st November. At the meeting, country leaders and experts will discuss how to protect the planet by reducing pollution, saving forests and working together. After the meeting, countries will need to share how they will keep the climate promises they made, and stay on target to meet their goals.

Things to talk about at home ...

- > Talk to someone at home about what they know about COP30.
- > What do you know about climate change?
- > If you could speak to the leaders at the COP30 summit, what would you say?

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others

The children observed a minute silence on 11th November at 11am to remember the end of the First World War and to think about our service men and women today. Foxes made some beautiful poppies and wreaths for their classroom window.

WE WILL REMEMBER

11TH NOVEMBER

Remember, if you arrive at school after an appointment or if you are late, please pop into reception on arrival so we know you are here!

Cut Your Carbon is underway!

Remember to share your carbon cutting activities with us!
